## JOKES OF THE DAY; LET'S LAUGH A LITTLE

A man is driving down the highway when he sees a shipping truck wrecked on the side of the road, and 25 penguins waddling around outside it. He pulls over and the truck driver tells him, "Quick! You've gotta take these birds to the zoo while I wait for AAA!" The man agrees and drives off with the penguins. After fixing his vehicle, the truck driver heads over to the zoo to make sure the penguins made it safely. There's no sign of them. The truck driver panics and starts scouring the town for his missing penguins. An hour later he passes by the local cinema, when who does he see leaving the theater but the guy who said he'd help him, 25 penguins still in tow. "What happened!" the truck driver screams. "I told you to take them to the zoo!" "I did," the man answers. "But I had a little money left over, so I thought I'd take them to a movie too."

Fred is 32 years old and he is still single. One day a friend asked, "Why aren't you married? Can't you find a woman who will be a good wife?" Fred replied, "Actually, I've found many women that I have wanted to marry, but when I bring them home to meet my parents, my mother doesn't like them." His friend thinks for a moment and says, "I've got the perfect solution, just find a girl who's just like your mother." A few months later they meet again, and his friend says, "Did you find the perfect girl? Did your mother like her?" With a frown on his face, Fred answers, "Yes, I found the perfect girl. She was just like my mother. You were right, my mother liked her very much." The friend said, "Then what's the problem?" Fred replied, "My father doesn't like her."

A little girl asked her mother, "How did the human race appear?" The mother answered, "God made Adam and Eve and they had children and so was all mankind made." Two days later the girl asked her father the same question. The father answered, "Many years ago, there were monkeys from which the human race evolved." The confused girl returned to her mother and said, "Mom, how is it possible that you told me the human race was created by God, and Dad said they developed from monkeys?" The mother answered, "Well, dear, it is very simple. I told you about my side of the family and your father told you about his"

## THOUGHTS TO PONDER

There is no egg in eggplant nor ham in hamburger; neither apple nor pine in pineapple. English muffins were not invented in England or French fries in France. Sweetmeats are candies, while sweetbreads, which aren't sweet, are meat.

We take English for granted. But if we explore its paradoxes, we find that quicksand can work slowly, boxing rings are square, and a guinea pig is neither from Guinea nor is it a pig.

And why is it that writers write, but fingers don't fing, grocers don't groce, and hammers don't ham? If the plural of tooth is teeth, why isn't the plural of booth beeth? One goose, 2 geese. So, one moose, 2 meese? One index, two indices? Is cheese the plural of choose?

If teachers taught, why didn't preachers praught? If a vegetarian eats vegetable, what does a humanitarian eat?

Why do people recite at a play  
Yet play at a recital?  
Park on driveways and  
Drive on parkways

You have to marvel at the unique lunacy of a language where a house can burn up as it burns down. And in which you fill in a form by filling it out and a bell is only heard once it goes!

English was invented by people, not computers and it reflects the creativity of the human race (Which of course isn't a race at all).

That is why  
When the stars are out they are visible  
But when the lights are out they are invisible  
And why it is that when I wind up my watch  
It starts  
But when I wind up this observation,  
It ends.

### The Tip of The Day

If I had my child to raise again, I'd build self-esteem first and the house later. I'd finger paint more and finger pointless. I'd do less correcting and more connecting.

I'd take my eyes off my watch and watch more with my eyes. I would care to know less and know to care more. I'd take hikes and fly more kites. I'd stop playing seriously and seriously play. I would run through more fields and gaze at more stars. I'd do more hugging and less tugging.
