

**DATES FOR YOUR DIARY**

**MEET & GREET....**

After five months of absence, August saw members coming together again for our first monthly meeting since lockdown. Approximately 20 members attended and enjoyed catching up on all the things that had happened in the interim.

There was no speaker or activity planned for this meeting as the committee anticipated members would have plenty to say to each other after such a long break. This proved true and despite some initial "tap dancing" around how we should greet each other, members enjoyed the interaction and opportunity to share.

Our thanks to Jane for providing the cup-cakes

*The CORONA Plateau Branch AGM*

As mentioned in the last newsletter, your committee was all set to step down in March this year to allow members to elect a new committee at the Annual General Meeting. This was hijacked by Covid 19 and we are now already half way through the "year" for any new committee. It was therefore put to members that the current committee continue in their role for the rest of this year with the AGM scheduled for February/March next year to elect a new committee. This was proposed at the monthly meeting on 21<sup>st</sup> August 2020 and duly passed by a show of hands from members.

The current committee graciously accepted to continue to serve but called for volunteers to join them. Asha stepped-up and agreed to be co-opted to the 2020 committee. Anyone else who is interested should please contact Binita.

*You can get more details of our activities and 'just in time' reminders on our WhatsApp group so if you are not already signed up, contact Sara to be added.*

## ...a time to celebrate...

**belated happy birthday wishes were delivered to all members who had celebrated their birthdays during our hiatus**

Seven members were greatly amused as they listened to the rest of us try to sing "Happy Birthday you". Together, they happily cut the birthday cake and shared it with the rest of us. Our thanks to Sara who baked this lovely birthday cake.
