

**DATES FOR YOUR DIARY**

**PLAYING THE GAME....**

After many months of enforced inactivity, our Corona members made up for it in September with lots of fun activities. With the unpredictability of life under threat of Covid 19, your committee decided it is probably best not to schedule speakers for monthly meetings for the time being. Thus we have tried to plan activities that involve only members.

Given this, the theme for our September meeting was "BOARD GAMES". This initiative was not immediately a hit and was slow to get started on the day. But, members did finally select their "game of choice" and got stuck into it with gusto. We had a table for dominoes, another for scrabble and even a mah-jong table. Those who did not want to select a game became avid supporters asking for explanations and giving advice. In the end, everyone enjoyed their activity and suggested making it a regular theme.

## ...caring & sharing...

Pot-luck lunches are not something we do very often but all of those who attended the lunch at Jane's at the beginning of September agreed we should make them a regular feature. With nine guest bringing a variety of foods, it was a feast to be remembered.

*If you would like to host either a coffee morning, afternoon tea or lunch, please contact Binita and let her know your date and any other information.*

Our thanks to Mary for the warm welcome to her beautiful seaside house in Flic en Flac. We had gorgeous weather for our brunch/coffee morning and once again members outdid themselves with a wide range of tasty treats.

***We recognise 2020 has been challenging but our Club needs the support of members to stay viable. So far this year only 18 members are paid up, so if you have not already renewed your subscription please contact Rosemarie and do so asap. Those who have not paid by next meeting will be charged a Rs200 guest fee at all future meetings and events.***
