I will never be an old man. To me, old age is always 15 years older than I am.
Francis Bacon

Our speaker in February was Nathalie Marot who was talking about the process of soap making. She followed her talk by inviting us to visit her workshop, and we are trying to arrange this (see below)

An outing in May for mother's day would be to visit the soap shop in the north for a demonstration with lunch afterwards at the Lemon Tree in Calodyne. Please, let Fifi know if you are interested so that she can organize it.

CHARITY ACTIVITIES

We have donated to the following charities during the year:

Teresa Ball school, Curepipe;
Esperance 2000 school for disadvantaged children;
The disabled ladies self-help residence in Sodnac,
CEDEM school and shelter in Vacoas,
Sister Colette for the Loretto school in Sudan.
